110 mm

A dark, rectangular device is shown from a front perspective. The device has a thin, light-colored top and bottom edge. On the left side, there are two features: a USB Output port and a Button. The USB Output is indicated by a right-pointing arrow and the text "USB Output". The Button is indicated by a right-pointing arrow and the text "Button". A horizontal line below the device indicates its width is 110 mm.
