FRONT

LIMITS

The image shows the front view of a brown cardboard box. The word "LIMITS" is printed in a yellow, sans-serif font in the upper right corner. A yellow dashed line indicates a fold line, forming a U-shape that runs horizontally across the top and vertically down the left side of the box's front panel. A vertical black line is visible on the left side of the image, separating a narrow strip of the box from the main view.
